

Wren Music is a Devon based arts organization, with headquarters in Okehampton, and it is all about music and people. The music is peoples' music in all its manifestations: traditional, vernacular, popular and ethnic. The people are all ages and abilities in a range of community and learning settings.

Vision: A world where every voice is heard.

Mission: Wren's mission is to work with music and culture to inspire creativity and to celebrate identity and diversity.

Our programme holds in balance the idea of high quality arts performance & participation with social & musical inclusion: from promotions of concerts and events of professional artists, open access musical ensembles for all ages, and targeted projects with excluded groups.
